

# DOT-BOX-B

DOT SERIES SURFACE INSTALLATION BOX

## DESCRIPTION

Installation box for attenuators

Minimalist aesthetics, of FONESTAR's own design, taking into account the needs of the market to make them go unnoticed in any installation, whether domestic or professional.

For surface installation of the DOT attenuator series.

Perfect for public address and voice evacuation systems, large and small shops, shopping centres, hotels, cafés, amusement arcades, home use, etc.
